FOR JAC ENGINEERING TECHNOLOGIES (244.A0) STUDENTS WHO ARE PLANNING TO APPLY TO MEMORIAL UNIVERSITY

JAC students graduating from Engineering Technologies, 244.A0, are eligible for admission to the Bachelor of Technology (BTech) program at the Marine Institute of Memorial University. This one-year program consists of thirteen courses (39 credit hours) with 24 credit hours from required courses and 15 credit hours from elective courses.

The program is available on a full or part-time basis, and is available fully online. Full-time students can complete the program in one academic year.

Conceptually, BTech is a full length undergraduate degree program consisting of a technical component and a component intended to provide a broad societal context for the technology as well as business related skills and knowledge. The University recognizes that the requirements of the technical component are satisfied by the *John Abbott College Engineering Technologies* program.

"Application Deadline:

Fall Admission: June 30 (Official transcripts due July 15)
Winter Admission: Oct 15 (Official transcripts due Oct 30)
