

Application for Environmental Studies Certificate

Anyone in any program at JAC can apply to this certificate. You may apply as of your first semester, even if you have completed no courses from the list yet.

Name: _____ ID: _____

Program: _____

Address: _____

Postal code: _____

Phone numbers

Home:(____)-____-____ Cell:(____)-____-____ Other:(____)-____-____

E-mail (required, write clearly please): _____

Expected month and year of graduation: _____

Please list the environmental courses that you have taken and in which term they occurred. Consult the list of applicable courses if necessary at the portal community:

<https://johnabbott.omnivox.ca/intr/environment/>

Please note: courses listed with a teacher's name are only applicable if you were in that teacher's class.

Course and teacher's name	Term number
Example: Environmental Geography (J. Burpee)	3

Note: A student needs to pass at least six (6) environmental classes and submit a special project, worth minimum 25%. This special project can be any environmentally related essay, etc. (but not test) already included in your classes. Please consult the environmental studies coordinator to confirm your project.

Special Project: _____

Volunteer work (10 hrs, **to be filled in by coordinator**):
