

FALL 2022 – JAC ADMISSIONS/ENROLMENT SEMESTER START-UP

This year the College received 4380 applications for the fall semester. This represents a slight increase compared to fall 2021 (4380 applications received in fall 2022 vs 4367 in fall 2021). The College admitted 3220 students for the fall 2022 semester. As of the first day of class on August 22, 2495 new students were registered.

Total enrollment for the fall 2022 semester, as of the first day of classes on August 22, was 6608. This represents an overall decrease of 40 students. The breakdown is as follows:

Population	Aug. 22/22 (1st day)	Sept.16/22 (Friday before drop deadline)
Returning Students	3592	3548
Change of Program students	510	540
New Students	2506	2416
Total	6608	6521
Pre-University & Pathways	5045	4985
3-year Technology Programs	1563	1536

This fall Continuing Education is offering two cohorts of the College Integration program. The College admitted 53 students who began classes on August 29. These students are registered in four courses including Strategies for Success in the Social Sciences and are given special consideration for admission to the day division in the winter semester
