

Application for Environmental Studies Certificate

Anyone in any program at JAC can apply to this certificate. You may apply as of your first semester, even if you have completed no courses from the certificate course list yet.

Name: _____ ID: _____

Program: _____ Expected month & year of graduation: _____

Address: _____

Postal code: _____ Phone numbers: Cell:(____)-____-_____

E-mail (required, write clearly please): _____

Please list the environmental courses that you have taken and in which term they occurred. Consult the list of applicable courses if necessary at on the JAC website: <https://johnabbott.qc.ca/college-certificates/environmental-studies/>. A student needs to pass at least six (6) environmental classes and submit a special project, worth minimum 25%. This special project can be any environmentally related essay, etc. (but not test) already included in your classes. You can also add two or more projects together to get the 25% minimum. (Please inquire with your teacher for course not listed with me, as to the possibility of doing the 25%+ project.)

Course and teacher's name	Term number
Example: Environmental Geography (J. Burpee)	3

Note: Please consult the environmental studies coordinator to confirm your project.
